Information Center of the South Dakota Department of Labor*

Montana **Career Peeks**

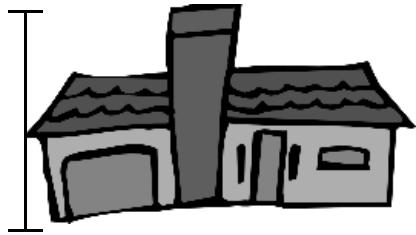

Take a peek at . . .

ARCHITECTS

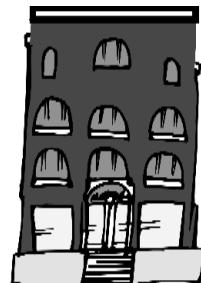

Architects design homes, office buildings and even things like bridges and parks. They plan structures that are useful and safe for people as well as nice to look at. They decide what materials structures will be built with. They draw detailed drawings called blueprints, often with the help of drafters.

Draw a house that is **longer** than this one.

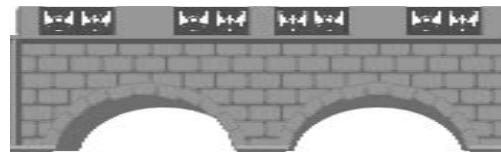

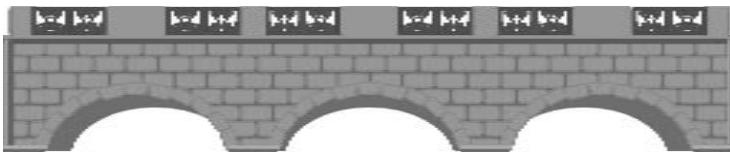

Circle the apartment building that is **longer**.

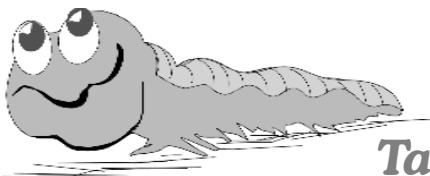

Use a blue crayon to circle the bridge that is **shorter**.

Use a red crayon to circle the bridge that is **longer**.

Take a peek at ...

ASSEMBLERS

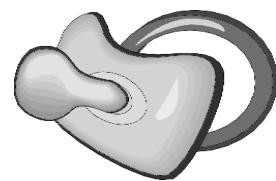

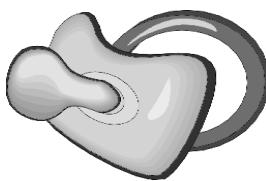

Assemblers put things together in a factory. They may put together just part of a finished product, or they may build the whole product themselves. They use different types of tools. They build many types of things, ranging from toys to computers.

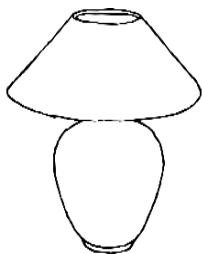

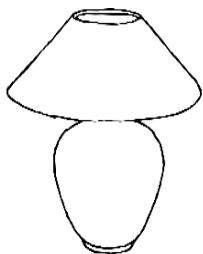

Circle the bike that is on the **left**.

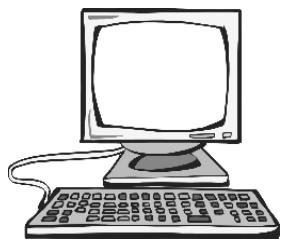

Circle the pacifier that is on the **right**.

Color the lamp on the **right** blue.

Draw a picture on the computer screen on the **left**.

Draw a beach ball on the **right** side of the umbrella.

Draw a sun on the **left** side of the umbrella.

Montana **Career Peeks**

Take a peek at ...

CHILD CARE WORKERS

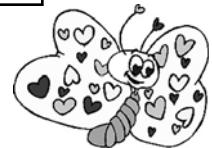

Child care workers take care of young children while parents work. They feed children healthy foods and keep them safe. They plan things for the children to do, such as games and art projects. They also read to children and teach them things like numbers and colors.

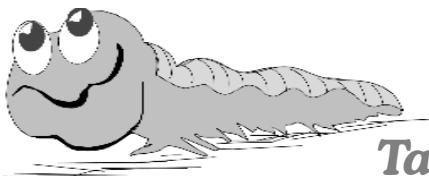

Match two pictures of things that **rhyme** with each toy.

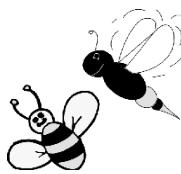

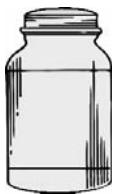

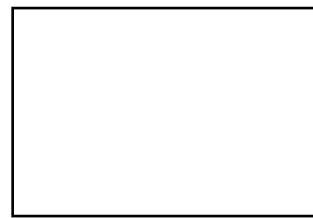

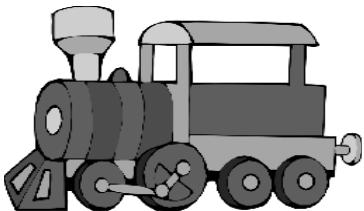

...what you can become!

Montana **Career Peeks**

Take a peek at ...

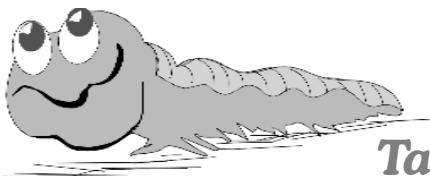

Bonus: Draw a picture in the box of something that **rhymes** with blue.

...what you can become!

Montana **Career Peeks**

Take a peek at . . .

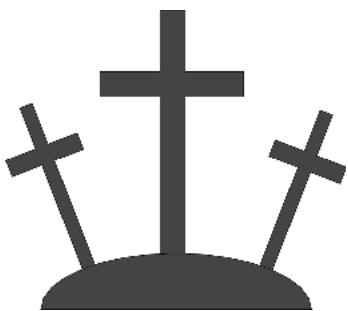

CLERGY

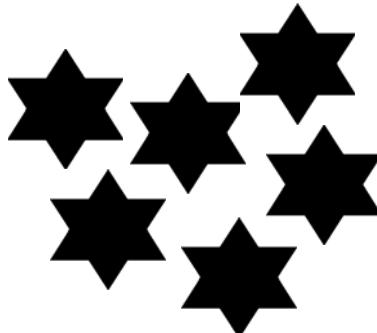

Clergy are leaders of people who believe in a certain type of religion. They can be called different names, such as ministers, pastors, rabbis or priests.

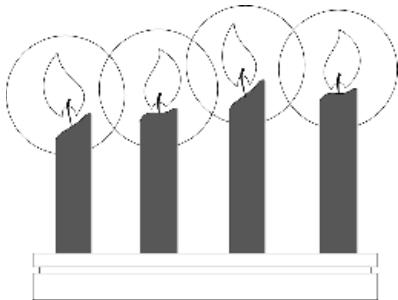

They write and give talks called sermons. They visit people who are sick. They perform special ceremonies like weddings, baptisms and funerals. They also guide others who do work for the church.

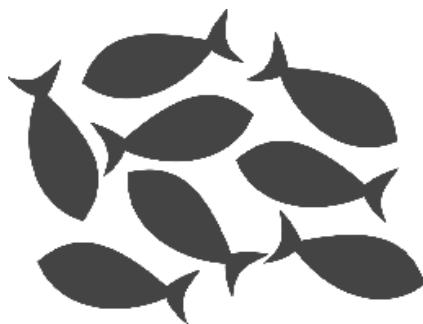

Count the number of objects in each set. Write the numeral on the line.

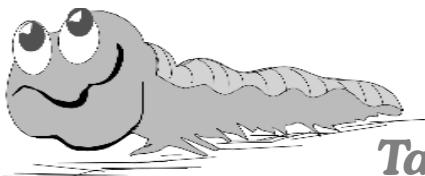

...what you can become!

Montana **Career Peeks**

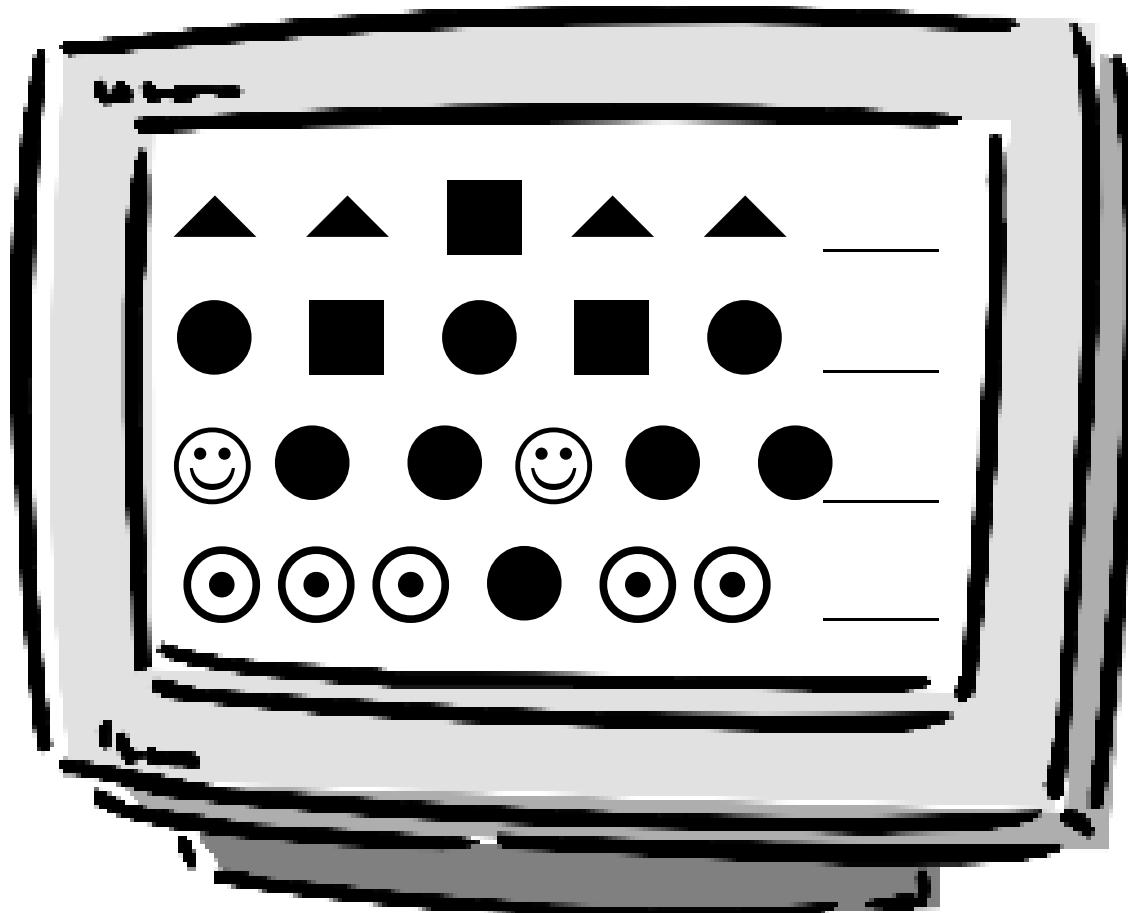

Take a peek at ...

COMPUTER PROGRAMMERS

Computer programmers write the step-by-step instructions that tell computers how to do things. They write many types of programs, from those used in business to computer games. These programs are written in a special language or code which computers can read.

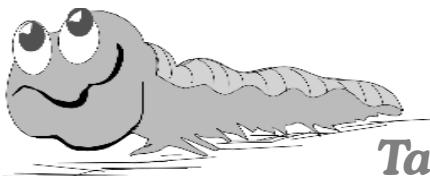

Continue the patterns by drawing the shapes that would come next.

...what you can become!

Montana **Career Peeks**

Take a peek at . . .

DENTISTS

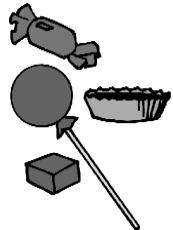

Dentists are doctors who take care of people's teeth and gums. They look for problems like cavities in teeth. They fill cavities, fix broken teeth and treat gum diseases. Sometimes they pull teeth that are too bad to be saved.

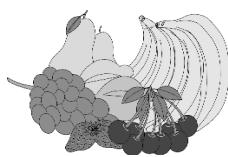

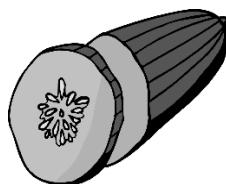

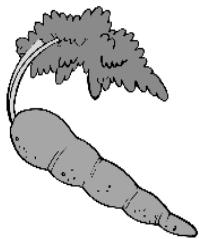

Cross out the pictures of things that do not help keep teeth healthy.

Then write the letter that the healthy objects start with.

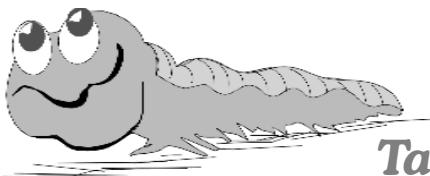

...what you can become!

Montana **Career Peeks**

Take a peek at . . .

DRAFTERS

Drafters make detailed drawings that show other workers exactly how to build buildings, houses, machinery and vehicles. They use computers and may also use a drafting board, compass and a triangle.

Find and count the number of shapes in the objects below that a drafter might draw. Write the number in the blank space.

How many **rectangles** can you find?

How many **triangles** can you find?

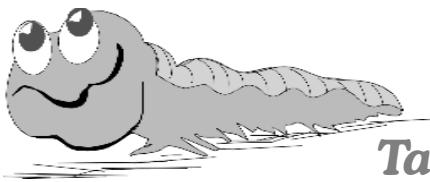

How many **circles** can you find?

Extra challenge: Use the back of this paper to draw a picture of something a drafter would draw, using as many circles, squares, triangles and rectangles as you can.

...what you can become!

Montana **Career Peeks**

Take a peek at . . . ***FIRE FIGHTERS***

Fire fighters try to keep fires from happening. When fires do happen, they work to save peoples lives and their belongings. They connect water hoses, set up ladders and may drive the fire truck. Fire fighters also teach people about fire safety.

Use the pictures below of things a fire fighter would use to find the object the right **size**.

Circle the fire truck that is the **longest**.

Circle the fire hydrant that is the **tallest**.

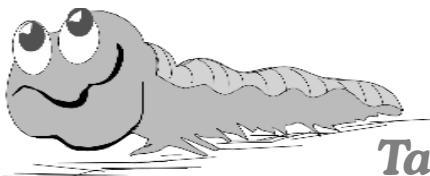

Circle the fire that is the **widest**.

...what you can become!

Montana **Career Peeks**

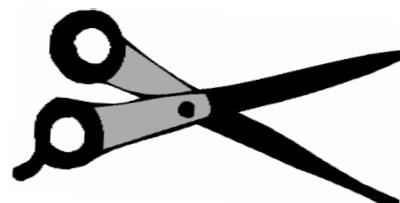

Take a peek at . . . HAIR STYLISTS

Hair stylists wash, cut and style people's hair. They also color people's hair and give them permanents to curl hair. Sometimes they take care of their customer's skin, fingernails and toenails too. Hair stylists are sometimes called cosmetologists or beauticians.

Draw lines to connect the words with the **matching** pictures of things that hairstylists might use.

Take a peek at ...

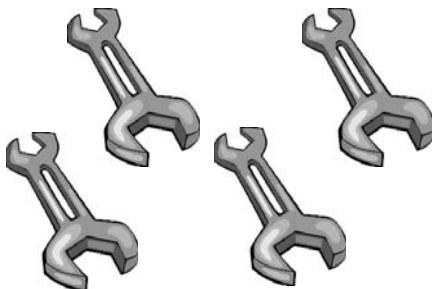

MECHANICS

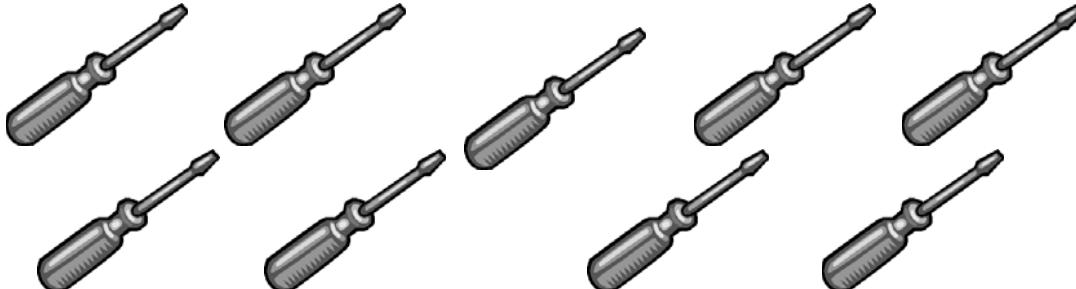

Mechanics fix problems that people have with their cars and other vehicles like trucks and motorcycles. They find out where the problem is and decide the best way to fix it. They use many types of tools and computers in their work.

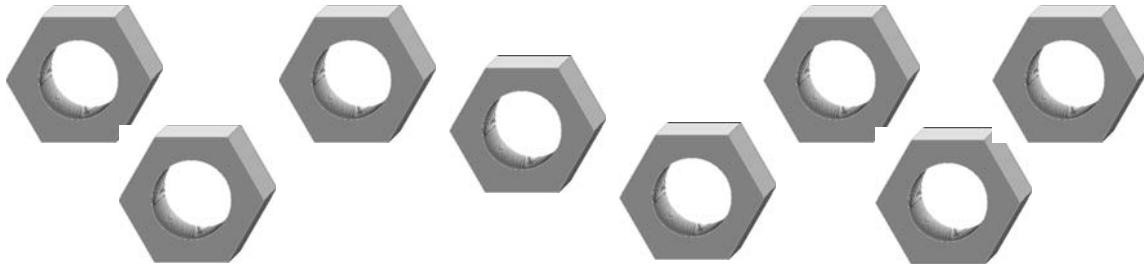

Count the number of things a mechanic would use in each set. Write the number on the line.

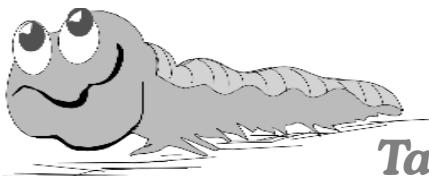

...what you can become!

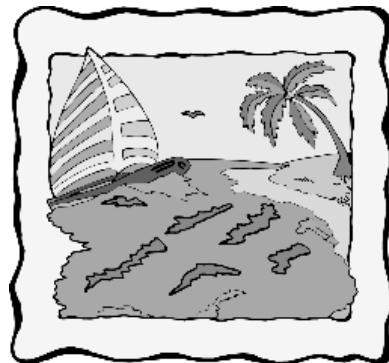

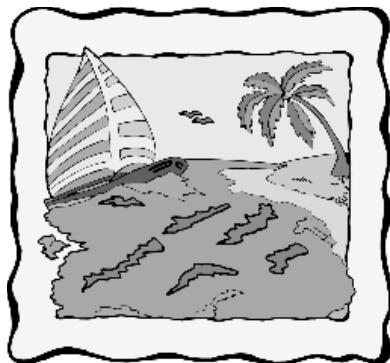

Montana **Career Peeks**

*Take a peek at . . . **PHOTOGRAPHERS***

Photographers use cameras to take pictures of many different things. Some take photos that are printed in newspapers or magazines. Others work inside studios and take pictures of people. Some travel to schools, weddings or sports events to take photographs.

Compare the pictures and circle the **differences**.

...what you can become!

Montana **Career Peeks**

Take a peek at . . .

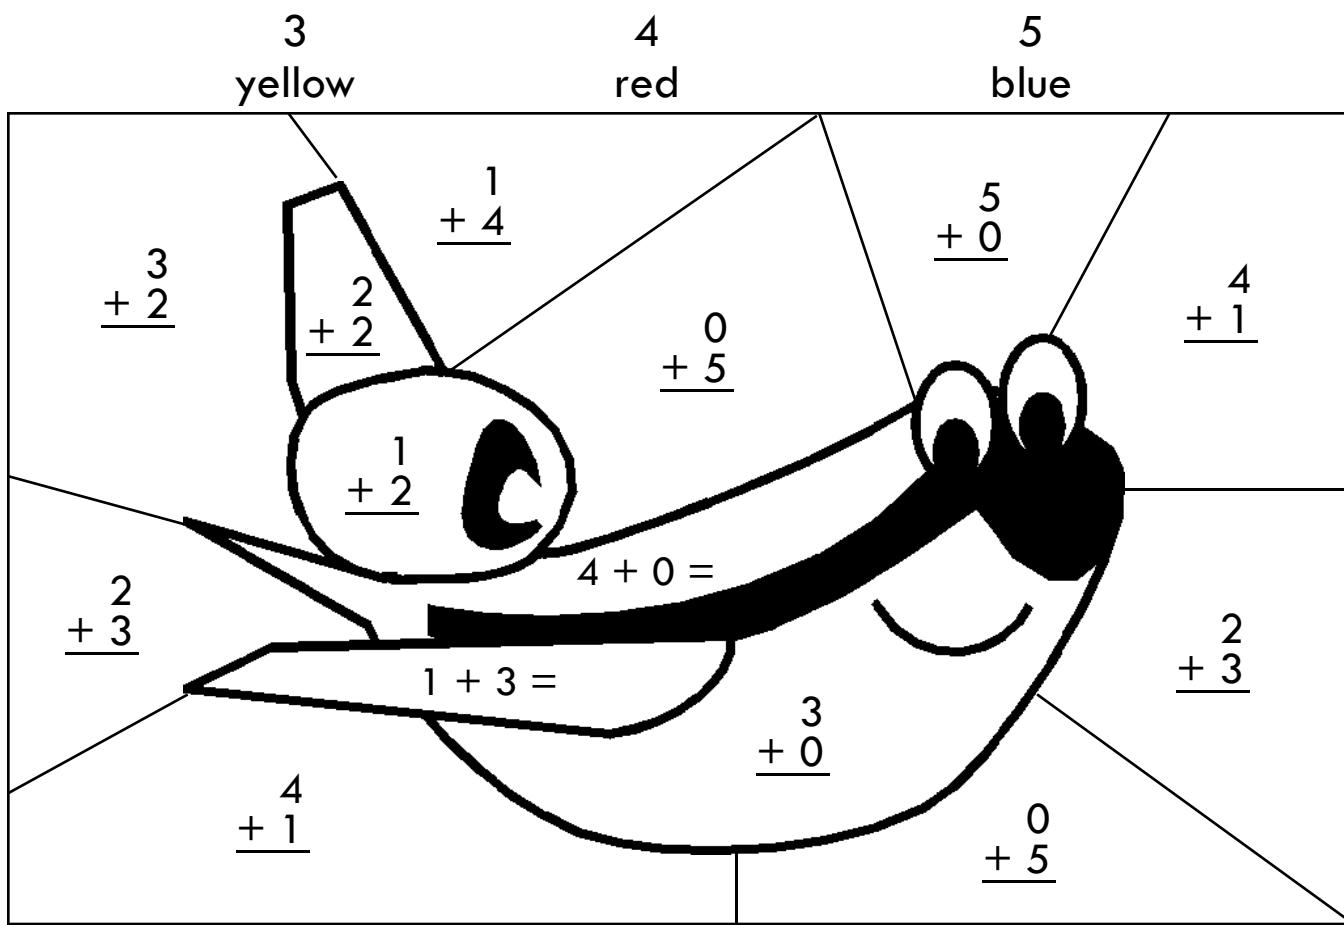

PILOTS

Pilots fly airplanes and helicopters. They move people, cargo and mail. Pilots check maps, flight plans and weather reports. They make sure their plane or helicopter is safe.

They have to keep records of their flights.

Do the math problems in the picture below. Then color the picture, using these colors for the sums of the math problems.

...what you can become!

Montana **Career Peeks**

Take a peek at . . . **TRUCK DRIVERS**

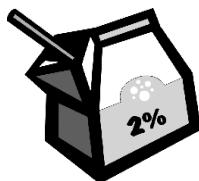

Truck drivers move many different kinds of things from once place to another. They may haul anything from milk or candy to animals or lumber. Some drive shorter distances and stay at home each night. Other truck drivers have deliveries that take them far from home.

Circle the container below that would **hold more** milk.

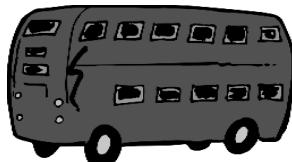

Circle the item below that would **weigh more**.

Circle the item below that would **weigh more**.

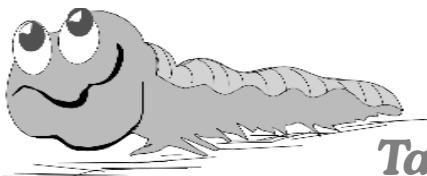

Circle the item below that would **hold more** ice cream.

...what you can become!

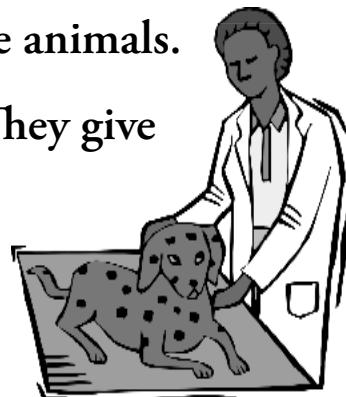

Montana **Career Peeks**

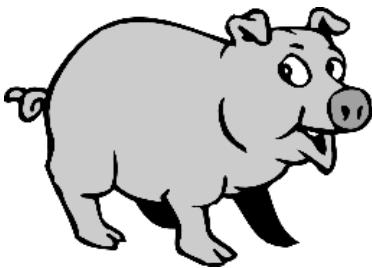

Take a peek at ... **VETERINARIANS**

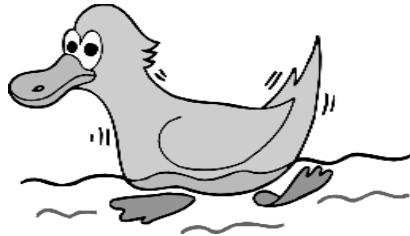

Veterinarians are doctors who treat small and large animals.

They care for pets, farm animals and animals in zoos. They give people advice on how to care for their pets to keep them healthy.

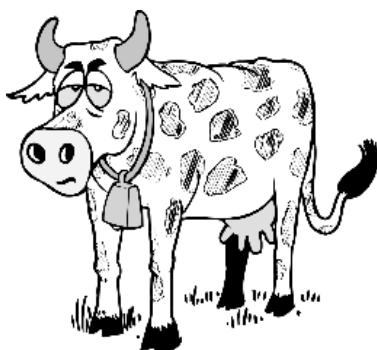

What are each of the animals below? Write the answers in the spaces.
